By *linking* your web presence to our search engine for only \$199, you'll gain new elements of online exposure throughout our region at no additional cost.* We make internet marketing more valuable by providing *quick response* technology that's free with your paid membership. Your paid *link* to our service qualifies you for a **FREE referral page** on our regional site, a customized **FREE business video**, a **FREE digital photo album** of your offerings, a **FREE response form** (sent securely to your designated email account), and, a **FREE smartphone QR code**, to name a few.

The *Local* Internet & Ecosystem

We refer to our concept as the *Local Internet* because we're establishing an all inclusive locally focused search resource online. This is a local ecosystem because residents and establishments are interdependent upon each other for the overall prosperity of the local economy. Residents use our technology as a research tool at no cost, and, 100% of all establishments "list" for **FREE** with basic information. However, establishments can join "Tour Main Street" for only \$199 and provide vital specifics for visitors to conduct meaningful research, make a purchase, make a personal visit, and, much more.

Quick Response *For All*

Our technology provides for a *quick response* in two primary ways. First, **internet & mobile technology users** are busy and want instant information. Your referral page on our site provides the right amount of concise, accurate information about your offerings. With our customized digital multimedia presentation of your establishment, busy people get the exact message that you want them to have as a *quick response*. Second, **establishments** will gain ready to buy *qualified* prospects who respond by completing the online form that's embedded in your page. This quick response provision goes directly to your email for a quick response back to them. Its fast & easy!

*The referral page is a stand alone web presence. However, if you already have an existing web presence, we'll be happy to include a *link* to that site. Member listings are highlighted on the local search engine.
